I China and Thailand ' s attitude on the Issue of Kampuchea

II China and Thailand ' s cooperation on the Issue of Kampuchea

III The influence of the Kampuchea issue on the relationship of Sino-Thai

I China and Thailand ' s attitude on the Issue of Kampuchea

- 1. China firmly supported the Kampuchea's struggle of anti- Vietnam**
 - After the occurrence of the Kampuchea issue, China is the most closely related to the state of the country, in addition to the ASEAN countries.
 - China is the the most solid backing to Kampuchea people's struggle.

I 2. From the sidelines to support: the changes of Thailand's policy to Kampuchea

- (1) At the beginning, Thailand take a two-sided policy.**
- (2) Thailand's policy from the reconciliation to a more clear, firm position, and to take a series of measures.**
- (3) In 1980, the Thailand completely abandoned the neutral and the position of reconciliation, instead of a hard line.**

The reason of Thailand 'policy changes :

- **Refugee : The number of refugees from Kampuchea to ASEAN and Hongkong in June 1979 to October**

	Jun	Jul	Aug	Sep	Oct
Malaysia	74, 817	65, 045	55, 975	49, 748	42, 681
Indonesia	42, 939	46, 810	45, 708	43, 978	40, 715
Thailand	172, 145	175, 227	172, 805	168, 897	64, 347
Philippines	5, 131	5, 526	5, 651	6, 311	6, 259
Singapore	445	1, 098	1, 260	2, 025	1, 580
Hongkong	59, 003	66, 651	66, 106	65, 206	62, 591

- **The armed conflict at the border of Thai-Vietnam in June 1980**

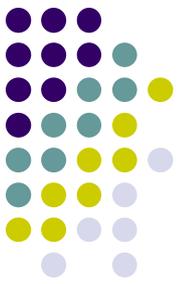

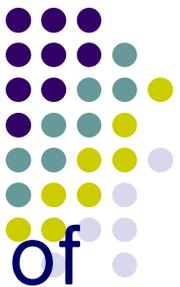

(4) The shift in Thailand's position is crucial to ASEAN

- **ASEAN thirteenth ministerial meeting**
- **ASEAN fourteenth ministerial meeting**
- **ASEAN foreign ministers' meeting of the sixteenth**

II China and Thailand ' s cooperation on the Issue of Kampuchea

- China has been fighting for Thailand, promised to give full support to the attack in Thailand.
- In 1978, only Deng Xiaoping received 5 group visiter from Thailand, China sent a clear signal to Thailand: China's opposition to Vietnam's expansion.

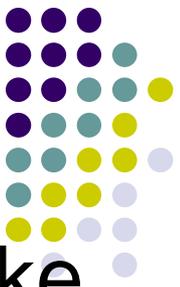

- China attaches importance to the role of Thailand in Kampuchea, and has repeatedly stressed *the first cooperation with Thailand*.

III The influence of the Kampuchea issue on the relationship of Sino-Thai

- **The Kampuchea issue is a new opportunity for PRC after the establishment of friendly relations between China and Thailand.**
- **The Kampuchea issue has contributed to the settlement of relations between China and ASEAN, and the settlement of relations between China and ASEAN, which, in turn, has been an obstacle to the development of Thailand's close relationship with China.**

Conclusion

Toward the issue of Kampuchea , China take a clear-cut stand against Vietnam. Thailand's attitude experienced the change which from the sidelines to support, and then to strengthen cooperation with China. China and Thailand established mutual trusty and friendly relationship basing common benefit. The issue of Kampuchea is the beginning that the relationship between China and Thailand can become *an example of friendly cooperation between countries of different social systems.*

Thanks
